Indiana Interprofessional Education and Practice Conference

Monday, April 25, 2016

IUPUI Campus Center

Call for Abstracts----Podium and Poster Presentations

The Indiana Access to Care Coalition will host the first state-wide Interprofessional Education and Practice Conference on Monday, April 25, at the IUPUI Campus Center. This daylong event brings interprofessionals together to share and present efforts in interprofessional education and or practice.

Educators and clinicians are invited to submit abstracts for podium or poster presentations. All abstracts should relate to work currently being done or recently completed in Indiana, in the area of one of the following:

1. Discuss IPE/PP opportunities across the State of Indiana
2. Evaluate the impact of IPE/PP on faculty, learners and patients
3. Share evidence-based best practices of IPE/PP

Abstract Submission Guidelines

- Please submit your abstract to Marian Erler, merler@ic4n.org by December 18
  Abstracts will be reviewed and selected through a blind review process. Applicants will be notified via email by March 1, 2016
- Please specify your preferred presentation format (podium/poster/either)
- Podium presentations will be 20 minutes followed by Q & A
- Poster presenters are responsible for providing their poster and remaining with it during designated poster session times
- Please list the presenting author first (correspondence will be sent to the first author listed)
- The abstract text must contain no more than 300 words
- Two learner objectives or measurable outcomes, each limited to 25 words, are required per abstract
- Questions? Please contact Linda Finke at finke@ipfw.edu or 260-481-6564
- Abstract Guidelines and Template are posted at www.ic4n.org/statewide-initiatives/access-to-care/

To submit your abstract, please use separate Abstract Submission Template. Abstracts will be reviewed and selected through a blind review process. Applicants will be notified by March 1, 2016.

Thank you
