

# Workforce Alignment Spring 2018 Noncredit Classes Healthcare

## LPN Refresher (Online, self-paced)

This is a comprehensive review of medical surgical nursing, pharmacology, dosage calculations, clinical nursing skills and techniques, and a clinical practicum in pre-selected hospitals. LPN Nurse Refresher also provides an opportunity for former LPNs to review, learn, and practice in a non-threatening environment, enabling the student to progress towards contemporary nursing practice.

Prerequisites: Students must have previously held an active state license.

Cost: \$599

Eligible for funding through WorkOne. Contact your local WorkOne office and reference program number 9133.

## Nurse Refresher Skills Lab (Lawrence campus)

This course allows those in the nursing profession to practice their skills before reentry into the workforce. In the lab you will learn 17 areas of instruction, including: how to take temperature, blood pressure, suctioning, physical assessments, and mixing insulin in one syringe. Topics are presented in a step-by-step approach, with clear examples. This improves understanding of the basics, including symbols, abbreviations, measuring tools, and dimensioning.
